

Deutsche Bahn-Layout Drawing

Application example and symbolic representation    Welding reinforcement

connection to the formwork

Dimensions BEB 2/3

BSI 500S  
min Ø16mm

a=4

Arc weld minimum  
length of all  
welding seams 90mm  
(2 x 45mm)

connection to the formwork

Earth cable connection

Designation

Order No.

DB-material-No.

PFEIFER - BEB 2 (L=48cm)

05.450.162.040.02

711.436

PFEIFER - BEB 3 (L=380cm)

05.450.162.380.03

711.437

Can be used for:

Standard DB overhead lines

Measures without tolerances

DIN 758-g

Drawn

25.09.01

Checked

25.09.01

Scale

1:2

PFEIFER Earthing bridges

BEB 2 / BEB 3
